State Sen. **John Dolan**, R-St. Charles County, will address the Log Cabin Republicans of Greater St. Louis tomorrow.

The event begins at 7 p.m. at Bar Italia restaurant, in the Central West End.

The group's press release calls Dolan "a progressive Republican who has pushed hard for hate crimes legislation and also favors repealing the 'Don't Ask, Don't Tell' policy.

"His quick wit, vast employment experience, and pragmatic approach to politics will certainly make for a fun-filled and informative evening.," the release says.

Dolan is the latest of a series of high-profile Republicans — including former Sen. **John Danforth**, and state Reps. **Carl Bearden**, **Jack Jackson** and **Jane Cunningham** — who have recently addressed the group, which represents gay Republicans.
