State Rep. **Jane Cunningham**, R-Chesterfield, is slated to address the city Log Cabin Republicans at Bar Italia on Thursday at 7p.m. Cunningham has been an outspoken critic of Kirkwood High School's student club advocating gay rights.

Local Log Cabin president **Charles Stadlander** also plans to be in the state Capitol this week to lobby for legalizing same-sex civil unions in the state. That matter can't come up during the special session, but Stadlander said his group has found a sponsor for the proposed bill. He isn't ready yet to say who it is. Maybe Cunningham will know.
